

Breakthrough

For Families Queensland

Drug Information and Support

**Concerned
about a family
member's
substance use?**

Get the facts, develop strategies and find out where to access more help.

Breakthrough for Families Queensland is a program designed to provide information and support to families and significant others of individuals affected by methamphetamine and other substances including alcohol.

The program involves:

- The provision of free public alcohol and drug (AOD) information sessions
- Connection to Family AOD Workers who can provide brief interventions and support to family members
- Referral for other assistance from health and community services and peer support.

Your local provider delivering the Breakthrough for Families Queensland program in the Wide Bay and North Burnett is:

For session dates and times contact:

Bridges Breakthrough for Families Coordinator on 1300 707 655. To talk with a Family AOD Worker call 1800 263 274. To make a referral email referrals@bas.org.au For more information visit www.bas.org.au

Breakthrough for Families Queensland is funded by the Department of Child Safety, Youth and Women, delivered in partnership with Queensland Health and the Queensland Aboriginal and Islander Health Council.

Project partners acknowledge the invaluable assistance and contribution from Family Drug Support, ADIS Queensland and the Victorian Department of Health and Human Services, Turning Point, SHARC and the Bouverie Centre under the Victorian BreakThrough: Ice Education for Families Package.
